

# MAXIMIZE YOUR GIVING

**Your giving is accomplishing great things!  
Here's how to make it go even further:**

## **1** New Opportunities

Crosspoint's new giving platform provides even more opportunities for a bigger percentage of your gifts and tithes to go directly to the ministries and mission you care about.

Due to processing fees, if just half of the people who use credit or debit cards switched to a routing or account number, Crosspoint could receive an additional \$6,000 a year!

The new platform also gives you the ability to add 2.2% to cover processing fees that are usually deducted from your original gift amount.

That means more of your tithe and gifts go toward the missionaries we support around the world. More goes to Access Church and Regeneration Church. More goes to organizations helping our community, including our own Care Ministry. The changes might seem small, but the impact you're making is great!

## **2** Here's What You Can Do

- Use our new platform at [gotocrosspoint.com/give](https://gotocrosspoint.com/give).
- For Payment Method, choose BANK ACCOUNT instead of CARD.
- Select the option to add 2.2% to cover fees.
- Send your questions to [finance@gotocrosspoint.com](mailto:finance@gotocrosspoint.com)
