# INTERSECT

**(in'ter-sĕkt')** –To cut across; to overlap each other

*That's the goal of the word of God: to cut across and overlap into our everyday lives. Use these questions to help you dig deeper and personally apply what you're learning. We also use these questions as a framework for discussion in our small groups.*

## REWIND

❶ Looking back at your notes from this weekend, was there anything that you heard for the first time, anything that stood out to you? How were you challenged or confused by this message?

❷ Thinking back across your life and walk with Jesus, what is something that you think you finished well and/or something that you have completed?

Now opposite of that, what is one thing that you feel you let go of or dropped the ball in?

Thinking through these two experiences, what enabled you to finish well in the one and not the other?

## DISCUSS

❸ Looking at Paul's life, it is clear that he fought the good fight. What do these following passages teach us about the battles we all face as followers of Christ?

**Ephesians 6:13–18**

**James 4:1–10**

Thinking back across your week, what battle(s) are you currently facing, and how are you doing in them right now?

Paul went on to tell Timothy that the Christian life isn't just about fighting, it is also about persevering. What do these passages tell us about perseverance and endurance?

**Hebrews 10:19–25 and 10:35–39**

**2 Peter 1:3–11**

## DECIDE & DO

❹ So, are you fighting the fight? Are you running the race? Are you keeping the faith? Are you currently living well to finish well? What is one way you could press in this week to ensure a good finish to your race?
